Recommendation Letter

To whom it may concern,

I am pleased to recommend Md. Fardin Hossain, who completed the FlyRank AI Internship Program from July 1, 2026 to October 28, 2026 in the role of Machine Learning Engineering Intern.

During the program, Md. completed 36 practical assignments applying curriculum in Data wrangling, Embeddings and clustering, Intent and opportunity modeling, and Insight to action.

The program record documents at least 297 hours across practical assignments, accepted capstone work, program meetings, learning resources, and verified Anthropic Academy courses.

As the culminating project, Md. completed "Send the Link: Launch, Demo & Story," which was reviewed and accepted by the lead track mentor.

Participation also included 33 attended program meetings, 32 completed learning resources, and 20 verified Anthropic Academy courses.

Based on this verified completion record, I recommend Md. for opportunities aligned with machine learning engineering and applied AI roles.

The approved internship specialization was Machine Learning; the independently qualified completed tracks were AI Fluency, Machine Learning.
